CURRENCY PERFORMANCE

Despite commentary that the USD would falter, it maintains its relative strength. JPY is supposedly a hedge fund favorite this year on anticipation that the Bank of Japan will need to raise rates.

IMPORTANT DISCLOSURES

Past performance may not be indicative of future results. Different types of investments involve varying degrees of risk. Therefore, it should not be assumed that future performance of any specific investment or investment strategy (including the investments and/or investment strategies recommended and/or undertaken by Resolute Partners Group ["RPG"]), will be profitable, equal any historical performance level(s), or prove successful. The account performance information reflects the reinvestment of dividends (to the extent applicable), and is net of RPG's investment management fee (if debited directly from the account). Account information has been compiled solely by RPG, has not been independently verified, and does not reflect the impact of taxes on non-qualified accounts. In preparing this report, RPG has relied upon information provided by the account custodian. Please defer to formal tax documents received from the account custodian for cost basis and tax reporting purposes. Please remember to contact RPG, **in writing**, if there are any changes in your personal/financial situation or investment objectives for the purpose of reviewing/evaluating/revising our previous recommendations and/or services, or if you want to impose, add, or modify any reasonable restrictions to our investment advisory services. RPG shall continue to rely on the accuracy of information that you have provided. **Please Note:** Unless you advise, in writing, to the contrary, we will assume that there are no restrictions on our services, other than to manage the account in accordance with your designated investment objective. **Please Also Note:** This Report is provided for information purposes only, and is not an official statement from the account custodian or any product sponsor. Please compare this Report with account statements received from the account custodian. The account custodian **does not** verify the accuracy of the advisory fee calculation. Please advise us if you have not been receiving monthly statements from the account custodian. A copy of our current written disclosure Brochure discussing our advisory services and fees continues to remain available upon request or at www.resolutepga.com.

Historical performance results for investment indices, benchmarks, and/or categories have been provided for general informational/comparison purposes only, and generally do not reflect the deduction of transaction and/or custodial charges, the deduction of an investment management fee, nor the impact of taxes, the incurrence of which would have the effect of decreasing historical performance results. It should not be assumed that your RPG account holdings correspond directly to any comparative indices or categories. **Please Also Note:** (1) performance results do not reflect the impact of taxes; (2) comparative benchmarks/indices may be more or less volatile than your RPG accounts; and, (3) a description of each comparative benchmark/index is available upon request.

ANY QUESTIONS: Resolute Partners Group's Chief Compliance Officer remains available to address any questions regarding this Report.

Please Note: Unsupervised/Unmanaged Assets - RPG **does not** maintain any investment monitoring or performance responsibility for unmanaged or unsupervised assets and/or accounts. The client and/or its other investment professionals retain exclusive responsibility for the monitoring and performance of such assets and/or accounts. **These assets are included for reporting purposes only.**

Please Note: Private/Alternative Investment Funds-The value(s) for all private investment funds owned by the client reflect the most recent valuation provided by the fund sponsor. However, if subsequent to purchase, the fund has not provided an updated valuation, the valuation shall reflect the initial purchase price. If subsequent to purchase, the fund provides an updated valuation, then the statement will reflect that updated value. The updated value will continue to be reflected on this report until the fund provides a further updated value. As a result of the valuation process, if the valuation reflects initial purchase price or an updated value subsequent to purchase price, the current value(s) of an investor's fund holding could be significantly more or less than the value reflected on this report. Unless otherwise indicated, the client's advisory fee shall be based upon the value reflected on this report. **Please Also Note:** If the private fund is a private equity or real estate fund, the value reflected on this report will generally reflect the most recent "fair-value" determined by the fund sponsor, fund CPA or independent valuation service, rather than market value as used for all non-private fund liquid investment assets (i.e. mutual funds, ETFs, individual equity and fixed income securities, etc.). Unless otherwise indicated, RPG shall calculate its fee based upon the latest value provided by the fund sponsor.

IMPORTANT DISCLOSURES
